ORDER MODIFYING  
DISSENTING OPINION

---

LISA R. CORDER,

Plaintiff and Respondent,

v.

SHAOPING CORDER,

Defendant and Appellant.

(Super. Ct. No. 01CC00182)

The dissenting opinion filed in this case on September 26, 2005 should be modified in the following respects.

(1) Pursuant to section 68902 of the Government Code and page iv of the California Style Manual, the second sentence of footnote 10 on page 33 of the slip opinion should be deleted, and citations of cases subsequent to the first citation of such

case which give the year of the decision should be converted to the “*supra*, [volume and reporter] at [first page or point page, as the case may be]” format.

(2) In footnote 24 of the dissent on page 55 of the slip opinion, the following citation should appear after the first and only sentence making up that footnote: “(See *Estate of Armstrong* (1966) 241 Cal.App.2d 1, 10 [“Oral declarations of a party whose lips are sealed by death is evidence of the weakest kind and should be received with caution. [Citation.] It is particularly unconvincing when the declaration is presented through a witness with a substantial pecuniary interest in the probative effect of the decedent’s declaration.”].)
