

IN THE DISTRICT COURT OF APPEAL OF THE STATE OF FLORIDA  
FIFTH DISTRICT

JULY TERM 2011

ELVIS QUIMI,

Appellant,

v.

Case No. 5D10-4198

STATE OF FLORIDA,

Appellee.

\_\_\_\_\_ /

Opinion filed December 30, 2011

Appeal from the Circuit Court  
for Orange County,  
Tim Shea, Judge.

A. Mauricio Hued, of Hued & Valedon,  
P.A., Maitland, for Appellant.

Pamela Jo Bondi, Attorney General,  
Tallahassee, and Kellie A. Nielan,  
Assistant Attorney General, Daytona  
Beach, for Appellee.

PER CURIAM.

We find no error, fundamental or otherwise, in the admission of Mr. Quimi's statement to the police. The mid-trial, oral motion to suppress made after the statement had been admitted without objection, should have been denied by the trial court on the merits.

AFFIRMED.

ORFINGER, C.J., SAWAYA and EVANDER, JJ., concur.
