

**SUPREME COURT OF LOUISIANA**

**No. 97-KA-2783**

**In Re: C.B., R.B., T.C., R.C., S.C., et al.**

MARCUS, Justice (concurring)

I agree that R.S. 15:902.1 is not facially unconstitutional but is unconstitutional as applied by Regulation B-02-008. A proper regulation may cure constitutional infirmities and pass constitutional muster. Accordingly, I respectfully concur.
