

SUPREME COURT OF LOUISIANA

98-C-1263

WASHINGTON G.B. BRYAN

v.

THE CITY OF NEW ORLEANS, ET AL.

ON WRIT OF CERTIORARI TO THE COURT OF APPEAL
FOURTH CIRCUIT, STATE OF LOUISIANA

VICTORY, J., concurring

The trial court found liability on the part of the City only for handcuffing the plaintiff too tightly. The trial court award adequately compensates the plaintiff for his injuries, including any special damages attributable to the officer handcuffing him too tightly.
